## Imagine Perfect Resonance.

A chord is struck, but never fades, sustained forever.

Kenneth Peacock was a distinguished alumnus of the University of Toronto's Faculty of Music. His body of work, as a composer and researcher for half a century, has made a significant impact on musical life in Canada. The Faculty of Music was very grateful to learn that Mr. Peacock had made a bequest to the University of Toronto in his will for the benefit of our music programs. With this legacy gift, the Faculty of Music will establish the Kenneth H. Peacock Lecture Series in Music in keeping with his lifelong interest in and contribution to the multi-dimensional study of music. Thank you Mr. Peacock.
